

WHAT YOU NEED TO KNOW

Now that you've considered, or have registered for the Seminar(s), here's what you will need: a class syllabus, hotel information, two (2) panel patterns, and shipping instructions for your panels.

TWO PANEL PATTERN INSTRUCTIONS:

**Please download patterns from the website- if you need assistance, email dgrier@cutterstv.com*

Vicki would like you to **complete** (cementing optional) the tulip pattern panel #1 before attending the seminar. She would like the inside done with **lead** 3/16" H and outside 3/8" H.

Final Size= 8" wide x 10" high

The floral panel #2 should be cut out and foiled in 7/32" foil. **Do not solder together!** This will be soldered in class for the hands-on workshop. Please bring the following supplies: Glass cutter, safety glasses, soldering iron, iron stand, rheostat (unless you are using Weller 100), solder 60/40, extension cord, flux, and a workboard (homosote if possible).

Final Size= 10" wide x 8" high

HOTEL AND TRAVEL:

You must make your own travel and hotel arrangements. We will provide the location of hotels nearby the Certification Seminar. Please mention that you are with **CUTTERS PRODUCTIONS** for the **GLASS CERTIFICATION PROGRAM**. Please call 800-332-8427 x106 for hotel information and postings will always be on the website once we receive notification.

If you would like us to mail this information as a packet,
please contact us with a request!
