

Cardboard Box Tabletop Easel

A great way to recycle your cardboard boxes and a fun craft for your pre-schooler!

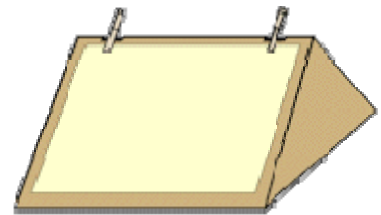

Materials:

- Heavy corrugated cardboard box.
Almost any size will work
- Two clothespins

How to Make It:

- ✓ Tape box closed. On both ends draw a line from corner to corner.
- ✓ Cut box in half along the drawn lines and along the edges that connect them.
- ✓ Both halves can be made into an easel by cutting out 2 notches for clothespins along top fold.

Tips:

- Use clothespins to hold paper for painting and drawing
- Cover drawing surface with white contact paper and use with wipe-off markers or crayons
- Clip on a cookie sheet for use with magnets
- Clip on a piece of felt for felt storyboards
